Hello,

It's kind of interesting how much it has changed on how we look at photos from what we used to do. We used to have photo albums that we might pull out every now and then to look back at a specific picture or photo from a certain time or event. Now, my phone will pop up some picture from 5 or 10 years ago, or a vacation in the past, and then I might open up that file and look at a bunch of them from that period. However, we do it, and I think it is good to look back at times to consider those different moments and events. It made me think about our faith. How we also need to look back at times to remember and consider those special moments, to be reminded of our own personal history of each of our faiths.

It is probably easiest to recall certain Christmases and Easters from the past. Times that we usually gather together as family for these celebrations, yearly, and along with our faith traditions, also have family traditions. Consider if certain years were especially meaningful to our faith, when we may have been more aware of what it meant that God was born among us; maybe we had a new baby in the family that year, or the death of someone close. Or when we recognized Christ's death and resurrection more clearly and the love He showed for us, possibly when we were going through a challenging time in our life. Or maybe, it was a year that we participated in some way that really made us feel more of a part of the celebration and aware of what was being celebrated and a part of Christ's Church.

Other times, we might recall, are the receptions of the sacraments, or the first time we receive them. First Communion or First Reconciliation, baptisms, weddings, Confirmations. Times when we were really focused on these special ways in which God came into our lives and gave His blessings to us. I know remembering my ordination, sometimes when I may be attending another person's ordination, can be a good reminder and strengthening of that grace God gave me. And also, if we have ever been anointed when we were sick, a reminder of how God was with us especially at those critical moments.

But we are in ordinary time now, so hopefully we have memories and moments we can look back at from our daily lives, when for some reason it was much clearer than normal how God is with us in our lives. It might have been a Sunday Mass when the prayers just told us something we hadn't recognized before. Or a homily seemed to be talking directly to our lives. Or the music felt in a special way like we were signing with the angels in giving praise to God. Or even in a silent pause, maybe back in our pew after receiving Communion that we recognized God was truly with us that was peaceful in a way we don't experience very often. Or maybe it was during the week in an act of kindness we did for someone, or someone did for us that made us realize God was working in our lives. Or a scenic view or incredible moment we saw that made us more appreciative of God's creation.

Like our photographs, we need to reflect on these images every now and then. You might even have some framed and hanging on the wall. Something to strengthen and remind us how valuable our faith and our relationship with God is, and hopefully to be more open and anticipating of these times still to come.

Peace,

Fr. Nick

YOUNG ADULTS MINISTRY MINI GOLF SOCIAL

JULY 10 | 6:30PM

Join us for a fun and relaxed **Young Adult Mini Golf Social** on **Friday, July 10 at 6:30pm** at **Pheasant Run (Golf Headquarters!)** All young adults are welcome to come enjoy an evening of lighthearted competition, good conversation, and community. Whether you've played before or are brand-new to mini golf, this is a great chance to meet others for a friendly and fun competition, unwind, have some laughs, and kick off your weekend with our young adult group.

For more information, contact Logan Jordan at 636-541-0765. Come as you are and be part of a community that seeks to know and love God more deeply.

WHEN DID WE SEE YOU HUNGRY? WE NEED YOU FOR A SPECIAL BICENTENNIAL OPPORTUNITY!

To commemorate the St. Louis Archdiocese Bicentennial Jubilee, Archbishop Rozanski has asked all parishes to consider how we can make more evident Christ's presence to the poor in our communities. In coordination with our St. Vincent de Paul team, Assumption Parish ministries will be asked to provide a hot dinner on the third Wednesday of each month at the Salvation Army on Fourth Street in St. Charles. To encourage participation by the entire parish, we ask each ministry to join the rotation in cooking and serving a simple meal. This is to become an ongoing event even after the end of the Jubilee year. With enough participation, we're hopeful that each group may be needed only once per year.

If you are an officer or leader of a Parish Ministry, or would like to contribute in another way, please contact Cathy Hackman at 636-699-8942 or you can email her at chackman5860@gmail.com for more information.

Then the righteous will answer him, 'Lord, when did we see you hungry and feed you, or thirsty and give you something to drink?' (Matthew 25:37)

Did you know?

Reflecting on the events of April 10, 1993, we are reminded of the profound ways in which faith and generosity shape our parish community. The donation of the property at the corner of 3rd and Mary streets by Frank and Lucy Saali was not just a bequest or gift of land—it was a testament to their enduring trust in God's providence and their desire to nurture the spiritual growth of the Assumption of the Blessed Virgin Mary Church for future generations.

The transformation of this property into Lot D, a space that now supports our parish school, stands as a living symbol of hope and renewal. It reminds us that when we offer what we have with open hearts, God multiplies our gifts for the good of the whole community.

We also honor the memory of Rose Marie Prinster, whose donation of photographs preserved the story of this transition, and shows how it provided firefighters the resources to conduct training during the demolition process. Her contribution allows us to look back with gratitude and forward with faith, cherishing the legacy of those who came before us.

A Legacy of Faith. A Future of Hope
