Hello,

I don't know if you noticed, but peach season seems to have just come to an end. Around St. Louis, you can particularly tell the peach season because not only do the prices go down, but you see the local Eckert's peaches around also. The interesting thing about peach season and the seasons for other fruits is that unlike some things, when they are most abundant and the cheapest is also when they are in season and at their best. Unlike years ago when you could only get the fruits when they were in season, (and you had to can them or freeze them if you wanted them a different time of the year), now you can usually get almost any type of fruit any time of the year, but it may be from a different country, it probably is going to cost a lot more, and it won't taste as good as when it is locally in season.

As I was thinking about that, I realized that it had some parallels with another part of our lives—are we going to follow our schedule or God's schedule? Our will, or God's will? Just like the fruits, God has given us enough freedom that usually if we are stubborn enough and put in enough effort we can live on our schedule and just follow our will over God's schedule and will. But also like the fruit, it is a lot more expensive and is never going to be as good.

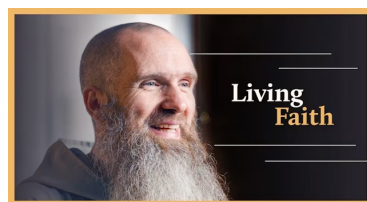

Like the fruits, there are natural ways in which they grow, how they were created and how they were meant to be, and so it is with us. So we can spend our efforts trying to be something that we are not, and never being able to do it as well as we could have been what God had meant us to be, that is natural for us. Or we can spend a bit of effort trying to find out how God has meant us to be, and then try to live that way. For the fruit it is finding out the right seasons, the weather, the soil, the environmental conditions where it grows the best, and then when it is best to harvest them. For us, our environment also matters, the people and experiences we are exposed to. How prepared we are for when we experience the different challenges and changes in our lives. I think Jesus had a few parables about weeds and rocky soil that would work in here too.

Don't worry, I won't get into any arguments about organic fruits versus genetically modified ones here, that is a little bit beyond the depth of my comparison. I did notice that the grapes looked really good and were on sale the other day, and I think Helen Keller had the right attitude when she said, "So much has been given to me I have not time to ponder over that which has been denied." Maybe we just need to focus a little more on what God is giving us today.

Peace,

Fr. Nick

ADULT FAITH SERIES

This fall, we are having another video/discussion series to help us grow in our faith. The series is titled *Living Faith* with Fr. Columba Jordan, CFR. This is a five-part video/discussion series and is described as "for those who want to move from the crowds to truly being a disciple of Jesus." To give you an idea of what he is going to talk about, the keywords that it is linked with are: Prayer, Confession, Sacraments, Eucharist, Evangelization, Discipleship, and the Mass. A moderator will show the video and help get our discussions going at two different times each week:

- **Tuesday mornings, 9-10am | starting September 16**
Parish Hall, Meyer Rooms
- **Thursday evenings, 6:30-7:30pm | starts September 18**
Parish Hall, Rooms D and E

Consider coming to watch and discuss with fellow parishioners or watch with someone you know. You can find the videos with discussion questions on [Formed.org](https://www.formed.org) website, available to all parishioners.

PRINCIPAL'S PEN

To celebrate our Blessed Mother's birthday on September 8, our students set out on an exciting Mary Scavenger Hunt. With clever clues to follow, the classes explored our campus in search of Marian sites tucked in special places, including the chapel, the church, our outdoor classroom, and more. At each stop, students discovered something new about Mary's life, her "yes" to God, and the ways she is honored here at Assumption.

Every student who completed the scavenger hunt was gifted a beautiful Miraculous Medal, thanks to the generosity of the Association of the Miraculous Medal in Perryville, MO. These medals will serve as a reminder of Mary's protection and her loving care for all of us.

In Christ,
Jamie Burbridge

HELLO FROM ASSUMPTION YOUTH MINISTRY!

Fall semester with Assumption Youth Ministry is here! Our EDGE Middle School Program kicked off last week with a night of water fun, welcoming sixth graders for the first time! Life Teen, our high school ministry, begins this Sunday with a house party themed kick off – leaning into the idea that the family is a domestic Church. We have an awesome semester of retreats, community, and ministry nights ahead and we can't wait to see what God does! Please pray for us and know that we are praying for you!

This weekend is our final weekend of the annual Big Board Fundraiser. We will be present all Masses in the Narthex. In choosing the dates that are most sacred to them, donating the corresponding amount and partnering with us, our parishioners make it possible for us to lead teens closer to Christ. Raised funds are primarily used to keep retreat costs low and make it possible for us to have a ministry-wide “no teen turned away” policy. **Through the generosity of our parishioners, we have raised nearly \$21,000 so far!** We would love to partner with you on your sacred days for the young Church – come see us in the Narthex!

**Sunday, September 14 | Life Teen Kick Off: Welcome Home!
6:30-8:45pm in the Parish Center**

Teens, Life Teen is fully back in action! We can't wait to see you for a night of food, fun, community, and powerful prayer! Bring a friend and get excited!

**Wednesday, September 17 | EDGE: A Soft Place to Land
6-7:30pm in the Parish Center**

Middle Schoolers, EDGE is fully back! Join us for a night diving into our Catholic faith in a new way. We can't wait to see you there!
