

Church Bulletin

POLICY:

Advertising in the Bulletin by parishioners is reserved for specific purposes.

REASON FOR POLICY:

It is important that the bulletin be used as one of Assumption's primary modes of communication to parishioners about parish life. This policy will define and better inform parishioners about what is and is not appropriate information for the bulletin. It is also important to keep in mind that the bulletin will not be expanded beyond the current eight pages.

DESCRIPTION:

Parishioners-at-large can submit advertisements for the bulletin if they fall under such categories as - events and notices for an Assumption Parish ministry; social justice and respect life education and events; stewardship opportunities; and mission/missionary opportunities. We also have an Around the Town section in which we advertise the events of other area parishes and regional Catholic High Schools. Fundraisers for parishioners, their spouse or immediate family members who have a serious medical need are also included in this section.
